### **Mago Vista Basketball - Winter Season Registration**

Registration for Mago Vista Mustang Basketball Winter Season is now open. The Mustangs anticipate another great season which will include both County and Community level basketball teams. This year we would also like to offer our players an additional league to play in for our more highly skilled players whose goal is to play at the high school level. These leagues are typically played on Wednesday evenings or Sunday afternoon, during the winter season and consist of some of the area's best basketball players. MV offers basketball teams to both boys and girls ages 5 thru 15 years of age. Mago Vista will begin its Fall Open Gym Drills and Scrimmage evenings on Sept 26 and evaluations for each player will occur the last week in October. Our open gym program is directed at the players of all skill levels and includes boys and girls. Further information on Mago Vista Basketball & registering for the upcoming winter season go to [www.teamsportsinfo.com](http://www.teamsportsinfo.com) then click on Basketball, scroll list for Mago Vista Basketball 2013-2014, any questions please email us at [magovistabasketball@yahoo.com](mailto:magovistabasketball@yahoo.com) or by calling 410-271-9300.
